layouts: "freestyle" and "calendar-style" (with all the Mondays, etc., lined up vertically on the page). You can view and print a sample of both layout options on our website.

🍌 The **SECONDARY TEMPLATES** are 8½" x 11" front and back menu pages featuring clipart designed primarily for secondary school kids, with space for regular menu choices that are available daily, as well as specials (view and print a sample on our website). Some of the clipart for these will be the same as for the elementary menus, but there are always three or more pieces per issue designed especially for older kids.

🍌 The **BREAKFAST TEMPLATES** are 8½" x 11" menu pages in several choices of two-sided and one-sided layouts featuring breakfast-specific clipart. View and print a sample on our website.

🍌 You can **USE THE FULL PAGE TEMPLATES EXACTLY AS THEY ARE** and simply type in your menu choices for each day (or paste them in from another program, like Word, Excel, or NutriKids) -- **OR YOU CAN REARRANGE** the page elements however you like and create your own layout. Print the menus in **BLACK OR IN FULL-COLOR**, or **POST COLOR MENUS ON YOUR SCHOOL SYSTEM'S WEB SITE** (or let us post them for you for free on our menu-posting web site, **SCHOOLMENUS.ORG**).

🍌 Every month, you also receive art for our **"WELLNESS IS A WAY OF LIFE" WELLNESS NEWSLETTER**, a ready-to-use, professionally-designed monthly newsletter designed to help make **YOU** the Wellness expert in your district -- with very little effort on your part! If you've struggled to put together good-looking, credibility-building wellness pieces (or if the process takes way too much time for you), Menu Magic will help you get into the game! You can view and print a sample newsletter on our website.

🍌 **MENU MAGIC CLIPART IS ALSO AVAILABLE IN SPANISH.** We provide full translations of our Elementary clipart, plus secondary clips on request, for half the cost of a regular English subscription (\$249/year), with a discount for first-year subscribers (just \$99 for your first year). Learn more on our web site.

🍌 In addition to your subscription, we can provide **COLOR MENU PRINTING, FREE WEB HOSTING FOR YOUR MENU**, and even a **TOTAL MENU CREATION SERVICE** so that you don't have to do ANY of the work ("Total Menu Creation" is only available for a limited number of districts). **FOR MORE INFORMATION ON THESE ADDITIONAL SERVICES**, please check our web site, or email us at [jbcs@schoolmealsmagic.net](mailto:jbcs@schoolmealsmagic.net) or call us.

🍌 **REWARDS** are available for your system if you can interest other districts in subscribing -- and they'll get the new subscriber price, too! We'll send you more information automatically when you subscribe, or learn more on our web site.

🍌 We'd be happy to **INVOICE YOU LATER IN THE YEAR** for the next fiscal year, if you prefer. Just let us know!
